President's Report

Senate Bill 181

Ladies and gentlemen I am taking a month off with the history lesson of the last 2 years. There are a few more pressing issues to attend to this month. First Senate Bill 181. My father had an old saying which I will repeat here "you can lead a horse to water but you can not make him drink". This month has reminded me of him more than any month in the past 20 years since he passed.

Before this chapter is a golden opportunity for our profession. Last month I sent an email out asking for responses to let your hard working board of directors know your stance on the legislation that is before the Joint House and Senate committee on Plumbing P.E. Registration. I got 5 responses. People the Board of directors along with the PE Sub-committee can only do so much we need your help and support. Without that support this very important piece of legislation will sit in committee indefinitely. This is far to important an issue to let that happen.

Please fax, email and call these Senators and Representative on this committee to let them know how you feel. And please let your board know what you have done so we can gauge how many people have done this.

Boston Chapter News

Now I will get off my soap box. The September meeting will be a special event set up by Rich Pokorny. We will be having Jimmy Tingle, the comedian, entertaining us. If you go to no other chapter meeting this year this will be the one to go to, believe me. I expect most everyone will want to go for a night of fun and laughs. As we all have had some rough times this year the board felt that the chapter needed a night of comic relief.

Also I have appointed Blair Chamberlain as the new Education chair. With that we are starting to gear up efforts for more education for the chapter both with seminars such as the revit seminar and CPD review class. But we are also looking to possibly have Plumbing 101 courses for younger members before the chapter meetings. This means I am sure Blair will be contacting some of our more experienced members for help. Please support him in this effort.

In closing I would like to thank the board for all their hard work this summer. I would ask the membership to let each and everyone of the board members know their hard work is appreciated. Please thank them next chance you get.

By Frederick Neth, CPD, President, Boston Chapter ASPE

Membership News

New Chapter Member

The Boston Chapter has one new member this month.

William G. Hardiman, G.E. Jacobs Engineering, Boston, MA Full Member

ASPE Society on the Move

As an ASPE member you should have recently received a letter from Society regarding the new Society headquarters building. Society has decided that due to a number of current economic factors, it was a good time to purchase an existing office building and move out of the leased building. We are told the monthly payment on the new building is less than what they were previously paying for rent.

As V. P. Membership I want to make sure all our members have Society's updated contact information should you have a need to contact them. The Membership Coordinator is Jinnie

Technical Report

The summer weather finally has come and now we are looking forward to the fall. (Personally I would rather have a full summer season!) You should have received the chapter's broadcast email with information on the efforts to re-instate Plumbing Engineering as a recognized professional licensed discipline. The bill, S-181 is still in committee and will not get out without support.

The September chapter meeting does not have a technical aspect to it. Instead we are having comedian Jimmy Tingle at our meeting for entertainment. We encourage you to attend this meeting. Bring a guest or friend for what is going to be a humorous night. More information about this FUN event is located on page 7.

A few reminders of upcoming ASPE events:

- The University of ASPE and The University of Plumbing Contractors Association Symposium to be held October 22-25, 2009 in Dearborn, Michigan. The symposium is being co-hosted by ASPE. The topics are residential fire sprinklers, solar energy systems, and rainwater harvesting systems. Please visit www.aspe.org for additional information.
- Our chapter will also be conducting multiple technical seminars at the upcoming 2009 Plumbing Product Show, to be held this November. The primary focus will be green/sustainable topics. Of course all sessions will have CEU/PDHs.

Lastly, the board has been adding new ways of reaching out to the membership. This has been through a broadcast email service. The challenge is trying to keep up with all of our members, especially in these challenging economic times. We are encouraging you to help us maintain the contacts list. We are also encouraging your thoughts on this service. Our goal is to provide information quickly to membership but not bog down your email with spam. Should you have email address change or know of a colleague that would like to receive our emails please send an email to our chapter's account: aspebostonchapter@gmail.com.

THE PASSING OF ROBERT L. HOUGH, PE

Robert "Bob" Hough PE passed away on July 22, 2009. He was the President of the Boston Chapter from 1977 to 1978. Bernie McCarty was the VPT; Bill Duross was the VPL; Frank Teebagy was the VPM; Saro Manasian was the Treasurer; Harry Rogers was the Administrative Secretary and Bill Adelson was the Corresponding Secretary during Bob's administration. As President the Chapters finances were in the red until he promoted and established the first Plumbing Product Show and we have been in the black ever since. Bob was a long time employee of R W Sullivan's office. Even after his retirement from Sullivan's office as a Plumbing Engineering he still stayed active in Chapter functions. Bob has gone to be with other great Chapter Presidents such as Samuel Ussia; John McEvoy; Evan Bailey; Bernard McCarty; Allen Sterns and P Joseph Sullivan. Bob is in great company. All of our past presidents are sorely missed.

Boston Chapter on the Move

In these difficult economic times, we are getting word on a weekly basis of members who are no longer at their previous places of employment. Unfortunately for most, it isn't by choice. Please help us keep our mailing list up to date so that we don't lose contact with our members. If you change work or home addresses, please let me know. If you are no longer employed with your previous firm, please let me know. Also, if newsletters are getting delivered to your office addressed to someone who no longer works there, please let me know. If you let me know of any address changes, I will see to it that it gets forwarded to Society as well. That is critical because our chapter mailing list is created from the Society membership roster we receive each month. If society isn't notified of a recent change to your contact information, our mailing list won't reflect it either. With the upcoming Product Show just a few months away, if we don't have your correct address, you won't be receiving your invitation.

Update Your Address and win a Prize

Speaking of updating contact information, none is more important than your email address. In order to better serve our chapter members, we have begun using broadcast emails to notify our members of important upcoming events. Unfortunately, we only have email addresses for 60% of our members. The mailing label to this newsletter shows the email address we have on file for you. If this isn't correct, please respond back to me before the next meeting. All that respond with an updated email or mailing address will be eligible to win a \$50 Gift Card. So check that mailing label NOW, and let me know ASAP.

19th Biennial Boston Chapter Product Show

Hope everyone had the opportunity to enjoy the summer and take some time off with your family even with all the inclement weather that we have had. As Chairman of the ASPE booth it is that time once again when we will be contacting those affiliates that have taken booth space and would like to contribute once again to the ASPE Booth drawings. I know that this has been a tough year for all including our affiliates but our success is based on your continuous support and we thank you in advance. The monies that will be collected from this years drawings are donated to ASPE organizations The Boston Chapter Scholarship Fund and the ASPE Research Foundation. This year we would like to make this yet another record setting event the 2007 Product Show donations topped \$2,200 so as you can see we have our work cut out for us.

The list below is a copy of the final list from the 2007 Product Show. As you can see the earlier that the donations are received the more opportunities you get to have your company advertised in the newsletter. The list was quite extensive and we would like to see your company name on this year's list.

Newsletter Advertising

We are still accepting advertisements
for the 2009-2010 advertising year.
The advertising year will run October - September.

WE OFFER BUSINESS CARD SIZE ADVERTISEMENT

**The exact size is 3½" Wide X 2" High.
The cost for the advertisement is \$650/yr.
Ads will not be pro-rated.**

We only need new electronic files on new or changing ads.
If this is an exact repeat of last years ad do not send a new file.

Acceptable file extensions formats are:
"doc" or "pub" or "jpg".

Please do not have artwork scanned,
as it compromises the quality of your ad.
There will be an additional \$75.00 set up fee
each time there is an ad change during the year.

ADS are to be the size of a business card –
but do not need to be just a business card
they may or may not include
a persons name and can include line information,
as long as the size and orientation is,
as stated, 3 ½" wide X 2" high.

**For an Ad Request Form & Payment information
contact Dawn Pokorny at 508-520-0133**

Jimmy Tingle to Entertain Boston ASPE

That is correct, you read that properly...Jimmy Tingle will be the Boston Chapter's Guest Speaker at the September Chapter meeting at The Lantana. This is a meeting not to be missed. Members are welcome to bring a guest. Bring your spouse, a date or a coworker, (but hopefully not all three). Anyone reserving a table of eight or more will receive a 10% discount as well as preferred seating. You'll be up close and personal. Hurry up and RSVP!!!!!!!

"Drawing on 25 years of comedic insight, outrage and commentary nationally known comedian and commentator for 60 Minutes II "Jimmy Tingle In Concert" is a clean, intelligent, hilarious, and thought provoking one man show performed with passion, creativity and humanity. Appropriate for ages 14 and above for informed audiences of all political persuasions Jimmy Tingle in Concert will make you laugh, make you think and hopefully make you feel better.

Jimmy Tingle is "more than comic wit, so cheerfully intelligent he makes his audience optimistic in the face of reality. It takes a serious and well intentioned man to make one laugh to such good effect."

Jimmy Tingle was recently featured on CNN'S "BEST AND WORST OF 2008" and completed two seasons with 60 Minutes II on CBS as the humorist / commentator in the Andy Rooney spot. He worked as a contributor and satirist for MSNBC has appeared on ABC-TV's The American Comedy Awards, The Tonight Show, CNN's Larry King Live, Late Night with Conan O'Brien, Comedy Central's Tough Crowd with Colin Quinn, as well as his own half hour HBO comedy special, and was the American correspondent for Sir David Frost's The Strategic Humor Initiative for PBS and the BBC. Jimmy worked as a writing consultant and appeared as a television talk show host in Chris Rock's film, Head of State. He played a bartender in "Next Stop Wonderland and played a Priest in the cult favorite "Boondock Saints".

Jimmy Tingle was born and raised in Cambridge, Massachusetts. The social, political and economic diversity of that city laid the groundwork for his development as a performer and satirist. He started performing in 1980 during the early stand up comedy scene in Boston and quickly rose through the ranks from open-mike performer to paid engagements, headlining at comedy clubs, theaters and colleges nationwide. He is now regarded as one of the top social commentators and humorists in the country.

So don't miss out on what will be the Funniest
ASPE Boston Chapter Meeting EVER!!!!!!
