President's Report

Greetings to all ASPE Boston Chapter members and friends. I hope this newsletter finds you well and in good health enjoying what little is left of the summer (remember, summer technically goes to September 20th, and I am holding onto every last day). A new year is upon us and our Board of Directors have been hard at work over the summer on our upcoming programs as well as preparing for the ASPE Convention in Chicago IL this September 19th through the 24th.

I mention this as this is the 50th Anniversary of our Society and we are sending an excellent delegation from our Chapter to support this event. Many of you have stepped up and volunteered as either a delegate or an alternate and we appreciate your time and efforts in this once in a lifetime opportunity. I urge any of our members to consider attending on your own as well if possible. The delegates that are going will be attending ASPE Business Meetings where Society issues will be discussed and voted on, will be attending many Technical Seminars, the largest Plumbing Exposition in the country, Social Events, earning CEU's and in general bringing back a wealth of information, ideas and enthusiasm to help improve our chapter now, in the near future and for many years to come.

I have to take a moment to give a huge shout-out to the following individuals who have helped make this past year a success: Rich Dean, our most recent Past President; I could not have taken on this second venture on our board without his ceaseless efforts, advice, time, friendship and relentless devotion to this chapter. Our Board of Directors: Larry Johnston, VP Technical, Frank Denisi, VP Legislative, John Callahan, VP Membership, Rich Pokorny, Treasurer, Paul Jappe for stepping in as Administrative Secretary, Patrick Haney, Corresponding Secretary, Jeff Gooding, Affiliate Liaison, Ed Nadeau for stepping in as Education Chair, and Dawn Pokorny, our Newsletter Editor. I can't say enough about these individuals and their constant vigilance toward keeping our Chapter at the forefront of ASPE and Plumbing Engineering. I could write pages of praise about these hard working members. Look at these names, some of these board members have been with our chapter and on our board for many, many years. Think about that kind of commitment. Please take the time to thank them personally every opportunity you get this year. Some of our more recent volunteers: Jill Moretti and Derek Silvia (our new webmaster). Both of these individuals have volunteered to help on our board wherever asked and have also stepped up as alternate delegates to the Convention. I know there are many more of you and I will mention those volunteers as the year progresses.

Last but not least, the Golf Tournament is fast approaching, Friday, October 3rd 2014, under the command of Jeff Gooding, Ed Nadeau and others. This will be held at the Wayland Country Club, Wayland MA. Invitations have been sent out and registration forms are also available on our website www.aspebostonchapter.org. I ask your support for this event as it supports the ASPE Boston Chapter Education Fund.

I would like to close with the same promise I have offered in the past: That we as a board will work diligently at keeping those of you who are involved, highly engaged and those of you who may not be as involved, to elevate our chapter to such a level of excitement that you won't want to miss out on this experience.

Sincerely, Kevin W. Lally, CET,, President, Boston Chapter ASPE

Next Meeting
Tuesday September 9, 2014
The Lantana, Randolph, MA

Main Program
Acid Neutralization Systems

Speaker
Gary Broberg P.E. Practical Applications, Inc.

Program Schedule
Social hour: 5:00 to 6:00
Dinner: 6:00 to 6:45
Chapter Business 6:45 to 7:00
Speaker/Technical Session: 7:00 to 8:30

Mr. Broberg has more than twenty five years of experience in industrial water treatment, wastewater treatment, and regulatory compliance. He has performed engineering services to industries, businesses, and institutions concerning high purity water treatment, wastewater treatment, FDA compliance, National Pollution Discharge Elimination System compliance, Massachusetts Water Resources Authority discharge compliance, local town discharge compliance, waste management and minimization, hazardous chemicals/waste regulatory compliance, chemical use and exposure assessment.

He also provides designs, options, and installations to optimize water and wastewater treatment systems which meet strict production limits and decrease disposal and operating costs. He is a member of the American Society of Plumbing Engineers, Massachusetts Water Pollution Control Association and is the current chairman for the Northeastern University Chemical Engineering Industrial Advisory Board.

Mr. Broberg has a Bachelor of Science Degree in Chemical Engineering from Northeastern University, and received his Professional Engineer license through the National Council of Examiners for Engineering and Surveying (NCEES).

Membership News

Members Due to Renew!

These following members have their membership Renewal due this month (September)

Scott D. Anderson
David Brown P.E., LEED AP
Gerald J. Caroto
Christopher Ginocchio
Joel Gordon P.E.
Brian F Green
Hugh Kelleher
Leroy Le Lacheur
May Wong Lee
William McKenna G.E.
Robert T. Moffatt
Miguel Teixeira
Kevin Pelton CPD
Gregory E. Riley
Jeri Sullivan
Kenneth H Wilensky

According to the August Chapter Roster sent to me by Society, the following members are overdue to renew their memberships and are at risk of being deleted from the ASPE roster. If you haven't already done so, please renew your membership right away and avoid any interruption in member benefits:

Members with a June Renewal

Paul R. Anderson
Adam Belanger
George Dubin P.E.
Richard T. Kealty
Lester S. MacLaughlin
Andy Rice
Donald F. Rosen
Roger D. Wardwell P.E.
Shane Wise CPD

Members with a July Renewal

Ron Belling
Thomas P. Bowman P.E.
Brian M. Hagopian
John J. McCarthy P.E.
David T. McGrath
Matthew Morrissey
Kevin L. Neal

Members with an August Renewal

Richard Barbera
Susan V. Briggs CPD
Keith A. Cannizzaro
Richard W. Friberg Jr.
Michael Gauthier
John Karpinski P.E., CPD
Daniel Kocur P.E.
Tatyana Nechayeva
John F. Penney

Members with an August Renewal Cont.

Robert Pink Jr.
Marc D. Wall
Eugene M. Weeks G.E.
Frank N. Zaino P.E.
James E. Ziobro

Okay enough about membership Renewals...

Oktoberfest Surprise

I am happy to report that we will be doing something a little different for the **October 14th** meeting: a new location and a new time. For all our members working in and around Boston, and for every Affiliate member that can travel to Boston, we are holding our October meeting at the **Harpoon Brewery!** Specific details will be announced in the next newsletter, but suffice it to say that now you really have an excuse to get out of the office for an hour (or more) and attend a monthly meeting. CEU's will be available to those that attend because the technical portion of the meeting will be a behind the scenes tour of the brewing facility.

If you've been to our previous evening meeting there, this will be completely different. They recently renovated the space and they now have a large Beer Hall that is open to the public, and an adjoining private event space where we will hold our meeting. The private event space is large, has private bathrooms, and of course a private bar!

This meeting attendance will be the barometer by which we determine whether this continues each year. If you would like us to hold more lunchtime meetings in or around Boston, then you better attend this one and let your Board members know. Space will be limited so RSVP early.

LEAD-FREE. WORRY-FREE. HASSLE-FREE. 4 YEARS EARLY.

With new national lead-free legislation, there's been a lot of talk about making the switch. Here's the truth: T&S was the first fixture, faucet and fitting manufacturer to convert its entire line to lead-free alloys back in 2010.

So when you purchase a T&S faucet, the peace of mind that comes with lead-free compliance is built right in. No worries. No hassle.
